5. CONTRACT WORKS CLAIMS REPORTING PROCEDURES

5.1 REPORTING OF INCIDENTS

In the event of an occurrence, which is likely to give rise to a claim under the insurance policy affected by the Employer, the Contractor/Sub-contractors and Project Manager will adhere to the following procedures:

- a) In addition to any statutory obligations and/or requirements contained in the General Conditions of Contract, the Contractor shall notify the Employer and the Project Manager of every occurrence within 48 (forty-eight) hours giving the circumstances, nature and an estimate of the loss or damage.
- b) The Project Manager will be responsible to register a claim online (BCM) and upload the relevant claim documentation to the claim and manually complete a general claim form for each incident within 30 (thirty) days after the incident occurred to the Section: Insurance Management. Should the incident be reported by the Project Manager more than 30 (thirty) days after the incident occurred to the Section: Insurance Management, the claim will only be considered if the claim documentation is accompanied by a letter from the relevant Group Head/Divisional Head motivating the reason(s) for the late reporting of the incident, but the Project Manager must take note the Insurer might repudiate the loss if it is found that the insurers rights have been compromised as a result of the late reporting.
- c) The following documentation must be included with the claim documentation:
 - General Claim Form
 - Any other documentation related to the claim
 - Photos of damages caused or suffered as proof or substantiation of the claims
- d) In the event of Insured Property being damaged during the Contract Works beyond economical repair, the property must be safeguarded and be handed over to the Employer's insurer for salvage.
- e) The Section: Insurance Management will inform the Employer's insurer of the incident. The Contractor/Subcontractor shall afford all reasonable access to the Site to the Employer, the Project Manager, the Employer's insurers and/or representatives for the purpose of assessment of any loss or damage.

5.2 REPORTING OF CATASTROPHIC INCIDENTS

In the event of an occurrence, which is likely to give rise to a claim, under the insurance policy effected by the Employer, **with an estimated loss or damage of more than R250 000,00**, the Contractor and the Project Manager will adhere to the following procedures:

- a) In addition to any statutory obligations and/or requirements contained in the General Conditions of Contract, the Contractor shall notify the Employer and the Project Manager of every occurrence within 24 (twenty-four) hours giving the circumstances, nature and an estimate of the loss or damage.
- b) The Project Manager must notify the Section: Insurance Management on the same day that the Contractor/Sub-contractor has notified the Project Manager of the incident.
- c) The Section: Insurance Management will notify the Employer's insurer of the incident. The Contractor/Sub-contractor shall afford all reasonable access to the Site to the Employer, the Project Manager, the Employer's insurers and/or representatives for the purpose of assessment of any loss or damage.
- d) The Project Manager will be responsible to register a claim online (BCM) and upload the relevant claim documentation to the claim and manually complete a general claim form for each incident within 30

(thirty) days after the incident occurred to the Section: Insurance Management. Should the incident be reported by the Project Manager more than 30 (thirty) days after the incident occurred to the Section: Insurance Management, the claim will only be considered if the claim documentation is accompanied by a letter from the relevant Group Head/ Divisional Head motivating the reason(s) for the late reporting of the incident. Should the relevant claim documentation not be submitted within 30 (thirty) days, the Project Manager must take note the Insurer might repudiate the loss if it is found that the insurers rights have been compromised as a result of the late reporting.

5.3 REPORTING OF CRIME RELATED INCIDENTS

All crime related incidents, losses or shortages irrespective of the value, must be reported within 24 (twenty-four) hours by the person who was involved or who has discovered the incident to the nearest South African Police Services (SAPS) station. The name of the Police Station, Investigation Officer and the Case number must be obtained and stated on the Contractor Claim Form. Should the incident not be reported to the SAPS, the Project Manager must take note the Insurer might repudiate the claim.

6. CONTRACTOR TO PAY DEDUCTIBLES

Any claim in terms of the insurance affected by the Employer shall be subject to the Contractor being responsible for the payment of the amount stated in the Annexure to the Policies as being the deductible (first amount payable or Excess) as defined in the Certificate of Insurance issued by the Employer's insurer in terms of the Policy.
